About The Champagne Airboat Tours

The tours will be for groups of 4 passengers. You may register as a group or individually, in which case we will put you with other Ball attendees. The first ride will depart at 1:30 p.m., and the last ride out is at 4:30 p.m.

The tour consists of a 20 minute jaunt to a private island retreat where you will be served champagne and hors d'oeuvres. Then we will load you back up and return you to the launch site. The round trip will take approximately one hour. The boats are modern, state-of-the-art airboats operated by experienced boaters. Hearing protection is provided and required.
